Response Pursuant to 37 C.F.R. 1.116

On January 14, 2005, Examiner Campbell issued a Final Rejection in this case. The rejection included an objection to certain claims. In a response which was filed on March 16, 2005 (copy attached), Applicants amended the claims to overcome the Examiner's rejection. On July 11, 2005, the undersigned attorney for Applicants advised Examiner Campbell that the March 16th. response had not been posted in the Private PAIR. At that time, Applicants submitted a copy of the March 16th. response.

On August 25, 2005, the Examiner issued a new non-final rejection which essentially ignored Applicants' March 16th. response. When questioned about this action on November 14, 2005, the Examiner stated that the matter would be investigated. The purpose of this response is to re-file, once again, the March 16th. response, and to urge the Examiner to pass this case to issue. Such action is earnestly solicited.
